

## Learn to Fly Cast

Designed by the Fly Fisherman, for the enthusiastic, beginning and intermediate fly fisher. Learn to fly cast to catch more fish and to enjoy fly fishing as a very relaxing, fun sport.

Covered in the Fly Casting class will be in-depth discussions on fly lines and leaders and their relationship to good fly casting. The instructor will share a few favorite fly patterns and answer any questions that the future fly fisher may have.

Rods will be provided for use at the fly-casting class. This will allow you to try different line weights and actions for graphite and glass and gives the student maximum "hands on" experience. By the end of the class, each student can make a decision on the personal preference of type of rod action, length of rod and line weight that best suits the fishing situation. Different styles of reels are also provided for classes.

Classes are limited to 10 students per each 4 hour session to personalize instruction, and keep quality at a maximum. Personal rods are welcomed, but not essential for classes. Also highly recommended are sunglasses and a hat with a brim. Light raingear is a good idea as classes will be held in light rain.

We invite you to attend the Fly Casting School to enhance your enjoyment of fly fishing. If you have any questions please contact Pete Smith at The Sportsman (920) 734-3299.

Date \_\_\_\_\_

Location \_\_\_\_\_
